

1:Web Information for Parents

Dear Parents,

As we prepare for 1:Web in the 2018-2019 school year, we invite you to explore our school's [1:Web site](#) to review the essential components of the program. Students pay a quarter of the cost of the Chromebook each year and then take it with them when they graduate. Each student is expected to get a Chromebook through our program or have their own computer. There are reduced fees for families that qualify.

There is a change in our agreement process. Starting April 2018, the 1:Web Agreement will be signed by parents/guardians as they complete the Annual Data Update/Online Registration forms. Students will sign the agreement during a Digital Citizenship course in school in the fall. While registering your child(ren) for the 18-19 school year, you will be asked to complete Boulder Valley School District's Annual Data Update/Online Registration forms. In these forms, you will have the opportunity to sign the [1:Web Agreement](#). After reviewing the agreement, please click on the check box.
