Culminating Project Summer Hours Proposal

This form is to be completed by students who wish to count summer hours on their Culminating Project in collaboration with their Panel Team. The Panel Team must approve the proposed hours and activities before the student may begin counting the hours. Evidence of completed hours must be presented by the student in the Fall to the Panel Team, who will determine and approve the hours that will count toward Project completion.

Hours Proposed	Project Activity/Component	Evidence of Completion to be Presented

Total hours approved by Panel Team in Fall: _____
