I want to acknowledge that you received several emails from me and the school this week related to a security incident and wind storms and a major power outage, and maybe even Covid. **Thank you for**

supporting your students and being wonderful partners for us. We are a team and need to continue to work together.

Our **New Vista Education** partnership group also expresses their thanks to you:

Wishing you all a happy holiday break!!!

Thank you to all the families who donated to support New Vista Education. We came close to our goal- close enough to have a pizza party. A big thank you to South Boulder Abo's for their help in supporting our celebration.

A simple way to support New Vista Education is to use us as your smile donation with amazon. NVE unique charity link: <https://smile.amazon.com/ch/84-3095393>

Finally, please accept our warmest wishes from our front office and support staff teams. We appreciate you, our New Vista family community!

See you back in 2022. Happy New Year!

Be well,

Sennen

A Note from Counseling

Hi Parents/Guardians- As we head into winter break, we wanted to share some information with you regarding the Fentanyl risks in our community and beyond. Please read: [HERE](#). We shared similar information last year, but wanted to reshare with some updates, as this is still a big concern. Please take time to discuss this with your children, share it with friends, and encourage anyone concerned to get help.

We hope that more awareness and conversations around this topic will support students and our community in staying safe.

We hope the holidays bring you rest, happiness, connection, health, and love.

Take good care,

Diane

Hola padres / tutores: a medida que nos acercamos a las vacaciones de invierno, queríamos compartir información con ustedes sobre los riesgos del fentanilo en nuestra comunidad y más allá. Por favor lea: [AQUÍ](#). Compartimos información similar el año pasado, pero queríamos compartirla con algunas actualizaciones, ya que esto sigue siendo una gran preocupación. Por favor, tómese el tiempo para discutir esto con sus hijos, compártelo con sus amigos y anime a todos los interesados a que busquen ayuda.

Esperamos que más conciencia y conversaciones sobre este tema ayuden a los estudiantes y a nuestra comunidad a mantenerse seguros.

Esperamos que las fiestas te traigan descanso, felicidad, conexión, salud y amor.

Cuédate bien,

Diane

Also, we need front desk coverage every other Friday, starting January 7th from 11:15 - 12:00.
