Advisory Olympics!

Hi everyone, our annual AO is happening this Wednesday. As you have heard 50+ times, AO is one of the dozen programs that are absolutely unique to New Vista. Why? Because one of our Core Values is "Have Fun Together" and we ensure we practice what we promise. BUT, this "Have Fun Together" is a collaboration between students and staff. So here is an important announcement: **Please**, make sure you listen carefully to your advisor when s/he reads the AO Norms for the day. It is crucial you stick to them so you and others have SAFE and RESPECTFUL fun together! Please, remember that **no guests or alumni are invited to this school-only event. Sorry. Alumni are welcome to attend the last-day-of school picnic.** Thank you so, so much!

Returning students, remember to complete on-line registration over the summer:

It's time for the Annual Data Update! (ADU). ADU is now open through your parents' IC Parent Portal. Please remind your parents to take a few minutes to update your contact information and complete this important part of Back-to-School Registration! ADU remains open through the first day of school.

Please watch for colorful postcards coming your way this summer with important information about Back-to-School Registration and Picture Day on **August 14!** School's almost out, but we're still here, planning for your return!

Thanks and have a fantastic summer!

Time to return spring parking passes:

Did you have a parking pass this semester? Please remember to turn it in to the front office the last week of school.

Summer Photography Opportunity:

Want to spend the summer exploring the art of photography, making friends & bringing a passion project to life? Then apply to Uncamp, a unique summer program that gives you control over what you learn and how you learn it. Work alongside experts and through experimentation to take your visual communication skills to new places. Apply by May 24! www.uncamp.org

Celebrations

Marco Volckens was hired for a summer position with the Boulder County Youth Corps. Congratulations, Marco - we'll all benefit from the work you put into our community's open space!

Rin Rexroad got a full ride scholarship to attend RYLA, a week long summer camp filled with activities and team building exercises hosted by the Boulder Valley Rotary Club and Colorado Rotary club. There were many students around the state of Colorado and in Boulder County who applied, but only 5 were chosen to attend. Great job, Rin!

Congratulations to our graduating

SENIORS!
