Both individuals and groups are welcome to register. See attached flyer.

### **CE opportunity at Museum of Boulder**

On October 12, we have an important event and we are looking for to -8 tec- savvy high schoolers to help out. The event is a fundraiser that uses technology for people to give us donations and bid on items in our silent auction. It would require the students to attend an afternoon training session on Tuesday, October 8 at 4:00 pm. They would then need to be at the Museum at 6:00 pm on October 12 until 10:00 pm that evening. If you are interested, please contact Carolyn Booth at [booth@museumofboulder.org](mailto:booth@museumofboulder.org), and see Nela to fill out the CE registration form.

### **Independent Study**

If you are planning to do an Independent Study next quarter, please make sure to fill out the registration form asap. This year a Committee is going to review and approve them by the end of this Quarter.

### **Service Week**

It is coming up! Today you have to register during advisory. Make sure you read the Service Group descriptions carefully. Most of the options require you to provide your own transportation.

### **End of Q1**

With the end of Q1 approaching, I would like to encourage all the students who are doing a CE to meet with your community mentor and talk about hours and performance. I will send an evaluation form to them as well to gather this info. Also, if you are going to continue doing the same CE, please don't forget to fill out the CE continuation form.
